++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and bright, cloudier in the east later.

Today:
A dry and bright start to the day, perhaps one or two showers developing. Clouding over in the afternoon as an area of more persistent rain runs north close to the Aberdeen and Stonehaven coast. Quite breezy at times. Maximum temperature 15 deg C (59 deg F).

Tonight:
Any rain around the east coast will gradually move away with cloud thinning later in the night. Clear spells in the west and quite a chilly night for Upper Deeside. Minimum temperature 5 deg C (41 deg F).

Wednesday:
Dry and sunny for much of the day, perhaps the risk of a shower in the west. Maximum temperature 14 deg C (57 deg F).

Outlook for Thursday to Saturday:
Quite an unsettled end to the week with rain and strong winds on Thursday morning, brighter later. Outbreaks of rain on Friday and Saturday and staying breezy.
